The President's Message

We are now on the threshold of summer and planning vacations travel and family adventures. Wishing you safe travels and happy times. Unfortunately hurricane season is coming up, please prepare accordingly and follow the directions of the emergency preparedness notifications. The "Derby De Mayo" party was a great success with hat winners and entertainment board excitement. Thank you to all who attended.

Remember the Pot Lucks during the summer months. They may be fewer in attendance, but, the variety of the entrees and desserts are always fantastic. Sheriff Mike Prendergast and his wife Naomi attended the May Pot Luck honoring Police Week. Sheriff Prendergast gave a presentation on the Sheriff Youth Ranches and his appreciation of the HOA's generous contribution.

The monthly breakfast is also fewer in attendance but great in conversation and fellowship. The coffee and donuts are outstanding and the doughnut holes are calorie free. We hope to see you at all upcoming events and remember the Fourth of July Golf Cart Parade and Picnic.

Crystal River Village residential and storage areas have experienced several larcenies during the recent months. Recently a trolling motor and depth finder were stolen from a boat parked in the West end storage area. Please secure your motors and electronics on your watercraft all stored vehicles and trailers. Also, please be vigilant at night for suspicious vehicles and or persons. Notify the Citrus County Sheriffs if observed. Do not approach or challenge.

A special request, please do not flush adult or youth diapers down the toilet. The diapers are causing the sewage lift station to malfunction resulting in an unnecessary expense. Thank you.

Inclosing stay healthy happy and smiling.

In Memoriam

Ginny Bahan, a resident of Joan Rollins Avenue passed away on May 6 following a brief illness. Ginny had lived in our Village for about three years and most recently was the check-in person for our HOA meetings.

We will miss her smiling face. We send our condolences to her family and friends.

Lift Station Jam

The lift station that pumps sewage out of the Park was recently jammed with adult diapers, again. This resulted in a lot of work and expense to Management to remove the jam, again. Please be considerate of others in the Village and refrain from flushing these objects. Our plumbing is not able to accommodate them.

Boat Storage Area Security

There have been problems in the boat storage area recently at the north side of the park. Some storage units have been tampered with and registration plates and tags have been removed from boat trailers. Because that area is not well lit at night, and our park is not secure, our HOA recommends keeping a close eye on anything you have stored in the area. You should consider removing or locking up anything of value that is visible.

Mail Tube Pins

Many thanks to Donna Reinhart and Trudy Archer for their work in creating decorative pins for the tubes on our mail box posts. They are attractive and their painted surface may help them last longer in the intense Florida sun.
