The President's Message

October is the month that we start to welcome back our seasonal neighbors. I am happy to report that we have not been exposed to any tropical storms, as of today. I certainly hope our good fortune continues through the remainder of the hurricane season. We send our prayers and condolences to the families that lost love ones during hurricane Dorian. We hope that the residents of the Bahamas and all areas sustaining damage and injury from hurricane Dorian have a speedy recovery.

The remainder of the year is full of activities. We start off with Veterans Day November 11th Thanksgiving dinner November 28, Christmas Party at Decembers scheduled pot luck, New Year's Eve Party will be celebrated January 2, 2020. Joel and Lynn will be providing music from 6:00PM until 9:00PM and not to fail to mention the regular scheduled pot lucks and monthly breakfast starting in October.

The HOA Board is reviewing the new draft copy of the Legacy prospectus and lease agreement. Secretary Rick Decker sent an E-mail to all members soliciting your concerns. He will complete a list of the concerns to be presented to Legacy.

The remodeling project of the club house is nearing completion. The entire facility has been repainted with new lighting, fans, tables, chairs, and carpeting in the billiards room, library and fitness room. Those utilizing the fitness center will be pleasantly surprised with the new equipment. We thank the Legacy management for all of the remodeling and upgrades to the club house and the park.

Reminder, the elections for the board of directors of the HOA will be December 10th. The regularly scheduled meeting date of December 3rd will be changed to allow for 30 days between nominations from the floor at the November 5th meeting. I again, encourage all members of the HOA to consider running for the board. The board can use new members with new ideas and the willingness to lead the HOA into the future.

In closing, please remember to lower the umbrellas on the pool deck prior to leaving, continue to clean up after your pets, don't exceed the 15 MPH speed limit, put your lot number on your rent check and most of all -- keep smiling and stay happy.

CRV Halloween Party

At this time there has been no response to several solicitations for volunteers to act as chairpersons for the annual CRV Halloween Party. Since there is no chairperson or committee established, there is no Halloween party scheduled at this time. If this situation changes and any volunteers can establish a party plan the HOA Board will work closely with them and will make sure the community is notified if the Halloween Party is rescheduled. The HOA Board is extremely sorry that this long established event that has been so popular for many, many years is not receiving any support.

Congratulations & Best Wishes!

In Memoriam

Our Village lost several residents over the summer. Bob Frank passed away May 4th. Bob and Carole Frank have had a home here for about 10 years. John Huxley of Lake James Drive passed away in June. He and his wife Faye had only been residents for a few months.

In July, Terry Cummings passed away in NY after a brief illness. Terry and husband, Cliff Williams, were snowbirds who have lived on Nature Coast Lane for many years.

Also in July, Lee Stiles passed after several months of failing health. Lee and Mary have been long time residents of Plumbob Way. They have been volunteers at the Family Resource Center for around 15 years.

Don Hudson left us in August. Don and Gloria Baker have lived on the small lake on Joan Rollins Ave since 2005. They enjoyed watching the wildlife on the lake and feeding the birds.

We send our sympathy and prayers for healing to Carole, Faye, Cliff, Mary and Gloria and their families and friends.

Joke for the Month

Four men are in the hospital waiting room because their wives are having babies. A nurse approaches the first guy and says, "Congratulations! You're the father of twins." "That's odd," answers the man. "I work for the Minnesota Twins!"

A nurse then tells the next man, "Congratulations! You're the father of triplets!" "That's weird," says the second man. "I work for the 3M Company!"

A nurse goes up to the third man saying, "Congratulations! You're the father of quadruplets." "That is strange," he answers. "I work for the Four Seasons hotel!"

The last man begins groaning and banging his head against the wall. "What's wrong?" the others ask him. "I work for 7 Up!"

General Crafting at the Club House

General crafting will begin on Monday, October 7th at 10:00 AM. Please bring along any craft you would like to work on and join the group for fun and chatting.
